

NEW CAMBRIDGE

INTERNATIONAL PUBLIC SCHOOL

SHAPING MINDS FOR THE REAL WORLD

ANUPAMA INSTITUTIONS, established in 1975, is managed by the Universal Educational Society. Over the years, it has earned national recognition from various competent authorities in India and built a strong reputation for excellence, backed by extensive experience.

Beyond academics, **ANUPAMA INSTITUTIONS** places a significant focus on extracurricular activities, especially sports. The institution has maintained a 100% academic success rate, with its alumni excelling in diverse fields both within India and internationally.

Under the **ANUPAMA INSTITUTIONS** umbrella, the “**New Cambridge International Public School**” was founded. The school is dedicated to providing every child with the highest standards of intellectual, moral, and value-based education, aligned with global benchmarks. At **New Cambridge**, personalised attention and small class sizes are prioritized, allowing courses to be tailored to the needs of each student. Our teachers are highly qualified and experienced, often possessing specialist skills and qualifications, along with expertise in language instruction.

Nestled within our sprawling 1-acre school grounds, our vibrant campus is a sanctuary for children to explore, learn, and play. This expansive space is thoughtfully designed to inspire creativity and foster physical activity, featuring lush green lawns, shaded areas for relaxation, and well-maintained play zones. **New Cambridge International Public School** boasts a highly skilled teaching faculty and offers students access to advanced resources, including Audio-Visual Aids, a Math Lab, a Computer Lab, a Library, and State-of-the-Art laboratory Facilities for Science. These tools help students explore and enhance their potential and talents in a holistic manner. The school building features well-ventilated classrooms with modern furniture, providing a comfortable learning environment.

The school's mission is to shape students by instilling human values, moral principles, social responsibility, discipline, and patriotism, preparing them to become responsible citizens of India. Students are encouraged to respect their elders and teachers, show kindness and compassion, and uphold discipline and decorum.

New Cambridge International Public School is dedicated to delivering top-tier education through quality training, materials, and facilities. We believe that every aspect of a program, from the first interaction to the final assessment, is crucial. Our courses prioritize training concepts over traditional teaching methods, catering to students who require proficiency in English.

The school is recognized by the State Government, affiliated to the Central Board of Secondary Education and follows the CBSE curriculum.

President's Message

Prof. Krishnaveni R.

The **Universal Education Society** was founded in 1975 with a mission to make a significant impact in the educational landscape. Over the years, we have expanded our offerings to include **Nursery, Undergraduate, and Postgraduate Degree and Diploma programs** across various professional fields. Our goal is to instil self-confidence and determination in our students, preparing them to become successful entrepreneurs and excel in their chosen careers.

Our curricula are thoughtfully designed to harness the unique potential and talents of each student. We are equipped with modern audio-visual technology, a well-resourced library, and advanced laboratory facilities to enrich the learning experience. Additionally, we place a strong emphasis on sports and extracurricular activities, forging connections with professional organizations and industries to enhance practical learning.

With a remarkable 100% academic achievement rate, our students have gone on to thrive in diverse fields both in India and internationally. The Society is committed to evolving with the times and warmly invites new students to join us for a bright and fulfilling future.

New Cambridge International School was established to realize our long-term vision of providing quality education that embraces innovative teaching methodologies.

Secretary's Message

Yogesh Nagarajachar

I am delighted to welcome you to **New Cambridge International School**, a prestigious institution with a rich and diverse history, reflected in the success of our alumni in various fields.

Our emphasis on culture, integrity, leadership, and other values helps our students become responsible citizens of society. Guided by our dedicated and professional teachers, we provide quality education and focus on the all-around development of our students.

Our beautiful campus offers state-of-the-art facilities, blending traditional and effective teaching methods with innovation. We are committed to being a future-ready school, consistently innovating and preparing our students to excel in a competitive world.

Our management, teachers, support staff, and parents are united in achieving our school's vision.

As Swami Vivekananda said, "The true strength of oneself lies in character." We strive to instil this in our students, as evidenced by their prominent presence in various fields worldwide. Whether you are new to our institution or have been part of our community for some time, we invite you to join us in shaping the future of our students.

Principal's Message

Gargi Choudhury

I am delighted to welcome you to our school community. For over 14 years, we have been dedicated to providing a high-quality education and fostering a nurturing environment for our students.

Our modern infrastructure includes spacious classrooms equipped with the latest teaching tools, advanced laboratories for hands-on learning, and a well-stocked library that encourages exploration. We follow the CBSE curriculum, which emphasises critical thinking, creativity, and a passion for lifelong learning. Our approach also prioritises co-curricular activities, recognising their vital role in holistic development.

The committed faculty members are not only highly qualified but also passionate about guiding each student to reach their full potential. We continuously enhance our teaching methods through professional development, ensuring our educators stay current with best practices.

To support individual learning needs, we offer tailored remedial programs designed to help students overcome academic challenges. This year, we are excited to introduce new technology-enhanced learning tools and expand our extracurricular offerings to cater to various interests.

We invite you to explore our school and become part of our vibrant community. Together, let's inspire and empower our students to achieve their dreams and make meaningful contributions to society. Thank you for considering New Cambridge International Public School as the next step in your child's educational journey.

Philosophy

Preschool serves as the cornerstone of a child's educational journey, laying the groundwork for formal learning. Positive early learning experiences play a crucial role in shaping each child's self-esteem and emotional health. We are dedicated to delivering high-quality education that fosters this development.

Our children thrive in an eco-friendly environment, where they benefit from an innovative teaching approach that we have carefully crafted through extensive research conducted by experts in preschool education..

The 4 Cs

At our core, we celebrate childhood by emphasising the four essential Cs of preschool education: Curiosity, Confidence, Creativity, and Continuity. We strive to cultivate these qualities in every aspect of a child's journey.

The first three Cs—Curiosity, Confidence, and Creativity—are developed through the three stages of our 4 Cs Learning Ladder. Meanwhile, the fourth C, Continuity, serves as a consistent reinforcement throughout all experiences, ensuring a holistic approach to learning.

Vision & Mission

Our mission is to deliver accessible, high-quality education that enriches student learning and fosters economic growth. We provide a wide range of services and opportunities designed to enhance the quality of life and inspire young minds to cultivate a lifelong passion for learning. We strive to create a nurturing, culturally vibrant, and intellectually stimulating community that empowers students to reach their full potential.

Our students are characterised by their self-confidence, self-reflection, and self-discipline. They exhibit exceptional attitudes towards their learning and exemplary behaviour, serving as role models within our community.

Kindergarten Wing

Our Kindergarten wing provides a nurturing and stimulating environment that fosters cognitive, social, emotional, and physical development.

Key Features

- **Discover the Joy of Learning:** Our Play Way Method encourages curiosity, exploration, and creativity.
 - **Building Strong Foundations:** Cooperative Learning helps develop social skills, empathy, and mutual respect.
 - **Exploring the World Around Us:** Hands-on Approach promotes curiosity, inquiry, and discovery.
 - **Learning at Your Own Pace:** Customised Curriculum adapts to individual learning styles and needs.
 - **Personalised Support:** Individual Attention ensures each child receives the support and guidance they need.
 - **Partners in Education:** Continuous Parent Interaction keeps parents informed and involved in their child's education.
 - **A Vibrant Learning Environment:** Colourful Classrooms stimulate creativity, imagination, and a sense of wonder.
 - **Play, Learn, Grow:** Kindergarten Play Station provides a variety of play-based learning activities to develop social skills and encourage exploration and discovery.
- 

Fostering Intellectual Enthusiasm and Academic Excellence

- **Inspiring Intellectual Curiosity and Academic Achievement:** "We ignite a passion for lifelong learning by providing exceptional teaching and enriching educational experiences for our students."
- **Nurturing Compassionate and Caring Individuals:** "Our unique educational philosophy creates an ideal environment for young people to develop the emotional intelligence and interpersonal skills essential for leading fulfilling and meaningful lives."
- **Promoting Cultural Awareness and Artistic Expression:** "We are committed to offering young individuals the opportunity to explore and nurture their creative abilities through our outstanding performing and visual arts programs."
- **Building Community Partnerships:** "As a globally-minded community, we prioritise collaboration by sharing our resources and expertise with the families of our school."
- **Championing Athletic Excellence:** "We take great pride in our rich sporting heritage and current achievements. We recognise the numerous health and social benefits that come from regular physical activity and participation in team sports."
- **Equipping for the Future Through Education:** "We are dedicated to empowering our young people to thrive in a rapidly evolving world by equipping them with transferable skills and resources for success, all within a technologically advanced and well-resourced environment."

***“UNLOCK
YOUR
POTENTIAL”***

EXPERT CBSE EDUCATION GRADE 11 AND 12

At NCIPS, we provide a comprehensive CBSE educational experience tailored to meet diverse student needs and aspirations. Our approach balances academic rigor with holistic development, ensuring a well-rounded education. Our meticulously designed curriculum, continuous assessment, and feedback facilitate personalised learning, empowering students to reach their full potential.

To achieve this, we leverage our experienced faculty and state-of-the-art facilities. Our focus extends beyond academics to personal development, preparing students for excellence in exams, success in life, and leadership and innovation. By nurturing academic and personal growth, we empower students to unlock their potential and thrive in an ever-changing world.

Premier Education for Grades 11 and 12

At our school, we provide an outstanding CBSE education for students in grades 11 and 12. Our innovative curriculum is crafted to address the varied needs of students while promoting both academic success and personal development.

- **Integrated Coaching for Entrance Exams:** We offer specialized coaching programs designed to prepare students for national entrance examinations, ensuring they are well-prepared to thrive in competitive environments.
- **Customised Learning Experience :** Our focus on continuous assessment and personalised feedback allows us to tailor the educational journey for each student, helping them unlock their full potential. Additionally, our mentorship initiatives feature distinguished speakers from diverse fields, offering invaluable insights and encouragement.
- **Advanced Laboratories:** Our institution boasts state-of-the-art laboratories that facilitate hands-on learning. Equipped with the latest technology and resources, these labs enable students to delve deeply into scientific concepts and conduct experiments that enhance their understanding.
- **Outstation Trips for Team Building:** We organize enriching outstation trips that expose students to new cultures and environments. These experiences promote teamwork, leadership skills, and global awareness, preparing them to face the challenges of the world as responsible global citizens.
- **Self-Defense Training:** We prioritize student safety and empowerment by offering self-defense training programs. These classes equip students with essential skills to protect themselves and build confidence in their abilities.
- **Monthly Parent Engagements:** We value strong partnerships with families and conduct monthly interactions with parents. These meetings provide a platform for sharing updates on student progress, gathering feedback, and collaborating on strategies to support each child's growth.
- **Supportive Learning Environment:** With a dedicated faculty and modern facilities, we foster a nurturing environment where students are equipped not only for academic assessments but also for lifelong challenges. Join us in creating a brighter future for your child!

Mentorship Program (Grades 9 to 12):

- Our Mentorship Program is designed to support the academic and holistic growth of students in Grades 9 to 12. Each student is placed in a group of seven, under the guidance of a dedicated teacher-mentor who acts as their guardian throughout the academic year. The mentor closely monitors the students' academic progress, provides personalised support, and encourages their emotional and social development. This program ensures that every student receives individualized attention, fostering a nurturing environment that empowers them to achieve their full potential.

Career Counselling and Guidance (Grades 9 to 12):

- Our comprehensive career counselling program aims to prepare students for the diverse opportunities and challenges of the future. Through regular sessions with experienced guest speakers from various industries, students gain invaluable insights into career paths, skill requirements, and emerging trends. These interactions help students make informed decisions about higher education, career planning, and personal growth, aligning their aspirations with real-world possibilities. Our program fosters critical thinking, self-awareness, and preparedness for life beyond school.

Ambience & Facilities at NCIPS

- **Dedicated Maths Lab:** A specially designed space for enhancing mathematical skills and concepts.
- **Digital Board Classrooms:** Classrooms equipped with advanced digital boards to facilitate interactive learning.
- **Real-Time Updates via SchoolApp:** A dedicated school app that keeps parents and students informed with instant updates.
- **State-of-the-Art Computer Lab:** A fully equipped computer lab featuring the latest software for hands-on learning experiences.
- **Extensive Library Resources:** A well-stocked library offering a diverse collection of books and materials to support research and reading.
- **Sprawling Open Ground:** An expansive open area of over 1 acre, perfect for outdoor activities and sports.
- **Comprehensive Science Labs:** Well-equipped labs for Physics, Chemistry, and Biology that foster experimental learning.
- **GPRS-Enabled Transportation:** A multi-route transportation system with GPRS tracking for safe and reliable travel.
- **360-Degree Campus Surveillance:** Comprehensive surveillance systems ensuring safety and security for all students.
- **Robotics Lab:** A hands-on learning space where students explore automation, coding, and AI through interactive robotics projects.
- **Space Lab:** An experiential lab designed to spark curiosity about astronomy and space science through models, simulations, and exploratory activities.

Why Choose Us?

- **Hands-on Math Lab experience**
- **Yoga classes for holistic fitness**
- **Engagement in Olympiads, NTSE and Spell Bee**
- **Highly qualified teaching faculty**
- **Diverse indoor and outdoor sports**
- **Spoken English classes for effective communication**
- **Rich co-curricular and extracurricular programs**
- **Vocational Skills in Pottery**
- **Exciting Fun Saturdays**
- **Artificial Intelligence and Robotics for the Evolving Generation**
- **Stress-free No Bag Days**
- **Self-Defense Training**
